Interpreter Services Toronto

Interpreter Services Toronto (IST) provides professional interpretation and translation services to individuals, organizations and businesses across Ontario, 24 hours a day, 7 days a week.

Social Good

IST is proud to be a social purpose enterprise of the Barbra Schlifer Commemorative Clinic. Profits from IST go towards providing immigrant and refugee women with subsidized professional interpreter training.

Strict Code of Ethics and Conduct

Our adherence to a strict code of ethics and conduct along with our understanding of cultural sensitivities and comfort with emotionally charged situations, uniquely positions us to help you overcome language barriers in any setting or situation.

Clients Served

"We have had phenomenal experiences with IST. Information flows smoothly because of their sensitivity to my clients' difficult and complex situations. I just don't find that with other services."

Lawyer, IST Client

IST Services

Interpretation

- In Person** Over 200 languages, including ASL
Consecutive Interpretation (after a person speaks)
Simultaneous Interpretation (while a person speaks)
- Over-the-Phone** Schedule a conference call, or as part of the R.I.O. network, we can connect you with a language interpreter over-the-phone within 30 seconds.
- Message Relay** Have a message or question for a non-English speaking client? We will make the call and report the results.

Translation

- Translation** We can translate written documents in over 200 languages. Certified Affidavit Translation available.
- Sight Translation** Want a document read to you? We can provide oral interpretation of written materials on the spot.
- Transcription** We transcribe audio or video files in the language and format (audio or text file) you prefer.

Training

- For Clients** We can provide your organization with FREE training and tools so you can use our interpretation and translation services more effectively.
- For Interpreters** We provide core training involving over 154 hours of in-class and on-site training – the longest-standing interpreter training in Toronto.

The Competitive Edge

IST enables you to:

- ✓ Capture a larger client base, with access to over 200 languages.
- ✓ Respond immediately to non-English speakers by connecting with an interpreter within 30 seconds via over-the-phone interpretation.
- ✓ Remain flexible for your clients by providing services 24 hours a day, 7 days a week.
- ✓ Maximize client communications by providing FREE training on how to work effectively with interpreters.

Getting the message right the first time saves time, face, and money!
